

Potato Salad Recall 03.19.07

Food and Drug Administration--Recalls

MDA Issues Consumer Advisory on Potato Salad (Mon, 19 Mar 2007 19:49:00 GMT) Minnesota Department of Agriculture (MDA) has issued an advisory for consumers to avoid eating selected lot codes of Coborn's, Cash Wise and Midwest Pride potato salad sold at stores in Minnesota and six other states due to concerns that the product may be contaminated with *Listeria monocytogenes* bacteria.
